

INFINITY Percussion 10' Audition/Clinic Information

WGI World Independent Finalist INFINITY will begin our 4 Part Audition Clinic series on September 12th. This is the first of four (prospective members must attend all four) Sunday sessions occurring every other weekend over the remainder of September, and continuing through October:

(Full Schedule)
Sunday-9/12
Sunday-9/26
Sunday-10/10
Sunday-10/24

50.00 fee covers all four events (or any one/for non-auditioning attendees) & includes lunch (first time participants receive an INFINITY logo t-shirt).

Registration begins at 2pm, activities at 3pm, continuing until 8:30pm each week.

All INFINITY'S Yamaha battery (9/4/5), and front ensemble equipment, along with 7pairs of Zildjian Cymbals (Cymbal Line Participants) will be available. However, attendees interested in battery voices are encouraged to bring their personal instrument, if possible, due to high attendance/demand at auditions.

INFINITY welcomes non-auditioning attendees to these clinic events as well. Less experienced percussionists will have the opportunity to take away training packets/advanced instruction/get to know our staff for future participation in not only the INFINITY ensemble, but possibly one of the other PAC Ensembles: Osceola Independent, AQUARIUS, STRYKE.

PAC/INFINITY are about you, the percussion enthusiast. We welcome all interested parties and look forward to getting to know you/assisting you in your educational and performance growth.
